

**WELCOME TO THE
2021 OKLAHOMA HILLS INVITATIONAL SALE**

Welcome to the Oklahoma Hills Invitational conference and sale. The conference and sale will be held at the Okmulgee County Fairgrounds September 18, 2021. The following are some guidelines with respect to the event.

1. **Opening date for consignments.** The deadline for nominating your does for the sale will be June 15, 2021. **There will be a maximum of 95 does and 15 semen lots in the sale. No more than two semen lots per consignor.**

2. All goats nominated must be registered with NKR. Only New Zealand and Purebred does will be accepted. No bucks will be accepted through the sale; however, you may bring bucks and sell private treaty from your trailer at no charge. All animals **MUST** be DNA'd, either Parentage or Sire Verified. No Genotype will be accepted. **All doe consignments must be no younger than 5 months or older than 5 years at time of sale.** Quality animals will bring you better prices so bring your best. The catalog cut-off will be **August 1, 2021**. This will give you adequate time to make your selections and get them in sale shape, trim hooves, check for 1 x 1 teats, no growths, clear eyes and nice body condition.

3. **Consignment Fees.**
 - 3.1. The consignment fee for each doe consigned to the sale will be: \$100, plus a \$10 (transfer fee) and \$10 (stall shavings and cleaning fee) and \$15 (internet fee) **for a total of \$135.00**. A **\$100.00** nomination fee is required with each submitted entry, and the balance of **\$35** will be subtracted from your sale proceeds. In summary, **\$100.00** up front nomination with **\$35.00** deducted from sales, total **\$135.00** per animal consignment. **Nomination Fees are Non-Refundable**
 - 3.2. The fee for each semen lot consigned to the sale will be **\$65.00 per lot** due at time of nomination. A semen lot is limited to two straws, no package consignments.

4. **Catalog Cut Off Date.** **August 1, 2021 will be the cut-off time for your copies of registration papers to be turned in for placement in the catalog.** Copies of the consignor's papers and any Seller comments can be either emailed or sent by mail, but **MUST, I repeat MUST** be received by **March 1, 2021**. Get your registration applications sent in now so there will not be an issue when it's time to send your papers to us. Papers must be clear and readable. If using your phone to photograph your papers, please download a free scan app such as **CAM SCANNER** before sending. Seller's comments should be limited in content due to catalog space. Any entries not received by **August 1, 2021** will be replaced by another animal on **August 2, 2021**. The earlier we can get the catalog out to potential buyers, the better for everyone. Building a catalog takes a lot of effort. Time is needed to get the initial copy out to the consignors for review, corrections and/or substitutions that need to be made. Also, if you are planning on placing a farm/ranch ad in the catalog, your ad information or ad copy must be in by the **August 1st** date. The ads will be placed in the catalog to give the best exposure we can obtain.

5. **Upon Arrival at Sale.** All consignments must be accompanied with an interstate health certificate issued at the point of origin (your home state) by a federally accredited veterinarian. The health certificate must reflect the consignment to: **OKLAHOMA HILLS INVITATIONAL, Okmulgee County Fairgrounds, 1901 N. Oklahoma Ave., Okmulgee, OK. 74447**. **Each animal must have a separate 9 x 12 envelope containing the following items: a) photo copy of health papers with animal**

highlighted. b) Original registration papers with signed transfer form. C) photocopy of registration papers to be given to buyer. d) if exposed to a buck prior to sale a “sire service memo” should be included. This form is available on the NKR website under “forms”. We will be checking microchips and /or tattoo's for animal identification. **Please be sure these are readable. If they are not readable you will have to re- chip or re-tattoo before animal can sell.** Scrapie tags must be present on the animal. All consignments will be inspected upon arrival at the sale barn. Although every effort will be taken to identify defects, OKLAHOMA HILLS MANAGEMENT makes no guarantees. Should a fault be identified by the inspectors, the consignors may have the choice of withdrawing the animal or allowing it to be entered into the sale, with all faults being announced upon the animals' entry into the ring. This is only fair to the Buyers. Buyers are urged to inspect animals they are interested in buying.

6. **Families.** If entering a family, only the doe needs to have registration papers and current health certificate. The kids must have an “Application for Registration” on each kid, to be passed on to buyer. Health certificates are not necessary for the kids; however, kids will be inspected for any defects in the same manner as does. If the kids at a later date, do not DNA to the parents as shown on the application, it will be the sellers' responsibility to make it good with the buyer. OKLAHOMA HILLS MANAGEMENT does not make any guarantees.
7. **After The Sale.** Upon sale of the last animal, Buyers will settle up with the clerk and will receive a load out sheet for the purchased animals along with a photocopy of registration papers for all animals purchased and purchase price for each animal. **NO ANIMALS WILL BE LOADED UNTIL SALE HAS OFFICALLY ENDED, PLEASE DON'T ASK.** Consignors, check with the clerk to verify that your animal has sold. If your animal did not sell, please obtain a load out sheet from the clerk and pick up your packet. If animal is not picked up that afternoon or other arrangements made, the animal will become the property of OKLAHOMA HILLS.
